Subject: COINS Objectives

STAT

1. The Director has asked me to reply to your memorandum, referenced above. He has accepted the goal and objectives for the COINS experiment as set forth in your memorandum.

2. Your recommendations for evaluating the objectives are appreciated. They have been made available to the IHC for its use in developing a COINS evaluation plan.

3. Your concern for community standards is recognized and work has been initiated to alleviate some of our problems in this area. A paper on data elements and codes standards is being drafted by the IHC for USIB approval.
